HIGH NEEDS

ALTERNATIVE PROVISION

EMPLOYABILITY PROGRAMMES

Interactive; engaging events involving a wide range of employers from different industry sectors and job roles. Students can develop key employability skills such as communication, team work, problem solving and resilience.

- Mock Interviews
- Meet the Professionals
- Interview Preparation
- Careers Fairs
- CV Building
- Understanding Apprenticeships
- Employer Talks and Visits

ENTERPRISE

Exciting and fun business simulation programmes giving young people an insight into the knowledge and skills entrepreneurs need when setting up and running their business.

Employers engaged for each event act as "Business Mentors" for students to help them develop a great business plan and deliver it to high quality. Students work in teams as a business taking on different roles and responsibilities and compete to win "Best Business".

> "Just wanted to say a huge "thank you" to Mploy Solutions for all your help with our year 11 work experience placements. They were not an easy cohort to place and you were extremely patient and supportive. They all had very successful, positive experiences which is fantastic."
